

HORIZON

Rehabilitation Limited

We are seeking a

Rehabilitation Practitioner

About the role

Our Rehabilitation Practitioners:

- Are skilled at supporting our adults with neurological and long term health conditions with their rehabilitation programmes.
- Are qualified to assess and provide suitable one to one rehabilitation programmes and group activities.
- Qualified as a personal trainer (Level 3+), Sports Therapist or experienced in delivering rehabilitation to this client group.
- Provide one to one sessions in the client's home or care home
- Earn qualifications and receive training to develop your skills with these clients and progress your career in this highly rewarding role
